****IMPORTANT INFORMATION – PLEASE READ!****

Through much trial and error, teachers have found some supplies to be inadequate, awkward or non-standard. For example, pencils purchased at the dollar store often break easily or do not sharpen, some pencil boxes do not fit inside our desks or are not large enough to hold supplies, the wrong exercise book format can interfere with a students work. For these reasons, it is very important that when purchasing supplies, the above list is followed as closely as possible.

Any items that don't match the supply list may be returned to you for replacement.

**Please be sure all supplies are labelled with student's name
and all pencils/pencil crayons are sharpened.**
